

June 8, 2023

Atlantic Regional Council delegates mobilize to build union solidarity and take action to defend human rights. Unifor members at GM Oshawa Assembly will build next generation of pick-up trucks. Take action against anti-choice laws. Attacks on 2SLGBTQIA people are on the rise; see why you need to fight back in a new video. Unifor casts doubt that planned Wescast foundry closure will be temporary. Unifor members at the Kruger Wayagamac Inc. paper mill take strike action. Plus: bargaining updates from Woodbridge Foam, Resolu, and Procor.

 **WHAT'S HOT**

 **TAKE ACTION**

This Pride Month, it's become even more urgent to defend human rights for queer and trans people. In April, 2SLGBTQIA members met at the Pride Conference to organize, defend human rights, and build community.

Unifor Celebrates National Accessibility Week
dignity and respect for all workers!

From May 28 to June 3, 2023, people across Canada celebrated National AccessAbility Week. This was a time dedicated to recognizing the valuable contributions and leadership of persons with disabilities, while highlighting the important work being done in concert with allies, organizations, and communities to remove barriers and create a more accessible and inclusive society.
