**Re: CTEA-CEP Merger**

---

We have received the results of the CTEA membership vote on the proposed CTEA-CEP Merger.

The CTEA members have approved the merger by a 87% vote.

I would like to take this opportunity to welcome these new members into CEP.

At your earliest opportunity, please welcome your sisters and brothers when the occasion presents itself.

Thank you.

In solidarity,

John Edwards,  
Administrative Vice President,  
CEP Ontario Region.
