

## **BARGAINING REPORT # 1**

### **2012 NEGOTIATIONS WITH TRANSERVICE**

August 17, 2012

Brothers and Sisters,

The Union Bargaining Committees from Quebec and Ontario met August 8<sup>th</sup> & 9<sup>th</sup> in Ottawa. They reviewed and discussed proposals from their respective caucuses to determine the final proposal document to be presented to the Employer.

Negotiations will start on the week of September 10<sup>th</sup> in Ottawa. The Joint Committee will meet at that time with the Employer to exchange proposal documents. There will be update bulletins as we progress through the bargaining process which can be viewed on [www.cep.ca](http://www.cep.ca) website and will also be sent to all locals with Transervice members.

During these negotiations, the Committee will need your support and your solidarity. One way to express this solidarity is to stay informed. Too often in negotiations, rumors spread and divide union members. Bulletins will be published on a regular basis and you will have the best information possible. Should you have any questions, these should be directed to your Local Executive.

We ask that you support the Bargaining Committee.

In solidarity,

Your Bargaining Committee

Quebec  
Alain Barbeau, Gerard Blanchard, Jean-Marc Vanier

Ontario  
Bob Secord, Dave Hare, Gavin Parker-Vance

National Representatives  
Ron Girardin, Laurent Levesque
