

UNIFOR: LOCAL 25

76 Adelaide & 483 Bay L25 Meet and Greet

Local 25 will be hosting meet and greets with Local President Justin Connolly this week.

The first will be held Thursday the 14th at 76 Adelaide from 12-4 in conjunction with Local 6007. There will be a pizza lunch and coffee served. Please find us on level B2, the first conference room at the bottom of the escalators.

The second meet and greet will be held this Friday the 15th at 483 Bay St, with two meeting sessions, the first from 730-830 and the second from 12-2. Coffee and donuts will be served in the morning, pizza for lunch. Please find us in the installation and repair office.

This will be a fantastic opportunity to discuss any concerns or ideas, in addition, your membership cards will be available.

For those who are not assigned to those work centres there will be announcements in the future about getting your membership card to you but of course are more than welcome to join us at either one of these settings.
