

Unifor Local 25

Minute of Silence

On Monday July 3rd, an Expertech technician named Eric Labelle passed away while working on the job in Peterborough as a result of an accident at work. He was 47 years old.

We ask all workers to observe a minute of silence at 11am to honour our fallen colleague. Further, we ask all workers on afternoon and evening shifts to observe a minute of silence prior to proceeding with duties. Local 25 will be making a donation to the Labelle family.

It is always a tragedy whenever someone passes. Eric was a beloved man. May he rest in peace.
