

Bargaining Proposals

Bargaining proposals have to be in by Friday April 5th and forms are available on the Local 25 website. If you need any assistance, contact Justin Connolly 647-546-7737 or via email: justin.connolly@unifor25.com to ask questions, generate ideas or discuss concerns.

Your proposals are critical in determining priorities. Each form matters in establishing the direction the bargaining caucus and committee will drive our concerns during negotiations.

Submit your forms to: bargaining@unifor25.com as soon as possible.
