Sisters and Brothers,

Re: Bell Craft and Service – Ontario Ratification Information

Ratification meetings will commence in Ontario beginning on Sunday November 24th and will be held by zoom. The meeting and voting processes in Quebec and Ontario will be different, reflecting the regional geographical and structural bargaining unit distinctions. Voting is being held online by Simply Voting, a third-party company that specializes in online voting and has been used by other bargaining units. Your vote result is confidential, what can be seen by Simply Voting is who has voted, not what was voted. Your Bell work email will be used to share the information for both the ratification meetings and voting. The company has agreed to allow us to use the company emails for this process. If you are inactive or on vacation and cannot access your Bell email during this time, please contact your bargaining rep and provide your first name, last name and personal email.

Note: Please have this submission by Monday, November 25th at 3pm, or you will not receive your ballot.

The regional bargaining representative emails in Ontario are:

Greater Toronto Area: steve.wanless@unifor27c.ca

North-East: marshall.saar@hotmail.com

South-West: paulcouvion74@gmail.com

You do not need to contact the bargaining representatives with your personal email if you have access to your Bell work email, only do so if you need to change to a personal email. The email list provided to Simply Voting will only be used to receive information about the ratification process and voting.

Ontario meetings will be held as follows:
